

FRUIT TO ROOT

The fruit of your life is what is seen at the surface.

- 1. *Who is God?***
What does my belief about the work of God say about his character and nature?
- 2. *What has God done (in and through Jesus)?***
What does my belief about my identity say about the work of God?
- 3. *Who am I?***
What do my actions reveal that I'm believing about my identity?
- 4. *How should I live?***
What fruit is hanging on the branches of my life?
